“TAKE THE TOUR - Sports Illustrated called Lambeau Field the eighth best venue in the world to watch sports. See why, with an intimate tour of this amazing, hallowed ground. The 60-minute tour gives you access to behind-the-scenes areas. You'll learn the history of Lambeau Field. And you'll even walk through the team tunnel on the same concrete that every Packers player has walked on since Lombardi's teams took the field. Each one-hour tour will begin in Harlan Plaza at the statues of Curly Lambeau and Vince Lombardi. Tour guides will lead fans through the all-new Atrium, up to the Club Level for an exclusive look at the private boxes, club seats and the Legends Club, and then visit the upgraded concourse and check out the turf of football's most famous gridiron.” – Quoted from www.packers.com
